RE: ***Audit of the Councillors' Representation Allowance Fund Expenditures***

Pursuant to the provisions of the *Councillors' Representation Allowance (CRA) Fund Policy* ("the Policy"), we have audited the fund expenditures of each City Councillor for the year ended December 31, 2014. Councillors are responsible for maintaining compliance with the Policy for expenditures incurred. The City Clerk's Department is responsible for processing expenditures in accordance with the provisions of the Policy; they are also responsible for such internal controls as are determined necessary to maintain compliance with the Policy, and to enable disclosure of fund expenditures free of material misstatement on the City's website. The Corporate Finance Department is responsible for disclosing fund expenditures monthly on the City's website. Our responsibility is to express an opinion on the compliance of fund expenditures, and on the fair presentation of expenditures in this report, based on our audit. Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund expenditures complied with the Policy, and that the allowance reports are free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the allowance reports. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of allowance reports, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, fund expenditures of all City Councillors were found to be in compliance, in all significant respects, and the allowance reports for all periods in the year ended December 31, 2014 have fairly presented the fund expenditures, in all material respects, in accordance with the provisions of the Policy. The individual reports are attached for your information and include summaries of each Councillor's expenditures.

We have also provided our *Councillors' Representation Allowance Fund Report to Governance Committee of Council* discussing our findings and recommendations on the internal controls for the fund. This additional report is an integral part of performing an audit in accordance with generally accepted government auditing standards.

Sincerely,

Bryan R. Mansky, MBA, CMA, CIA
Acting City Auditor

Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund expenditures complied with the Policy, and that the allowance report is free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the allowance report. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of the allowance report, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, fund expenditures incurred by Councillor Marty Morantz were found to be in compliance, in all significant respects, and the Councillor's allowance report for the period of November 5, 2014 to December 31, 2014 has fairly presented the fund expenditures, in all material respects, in accordance with the provisions of the Policy.

**AUDIT REPORT ON
THE COUNCILLORS' REPRESENTATION
ALLOWANCE FUND
REPORT - 2014**

To: His Worship Mayor Brian Bowman
City Council

We have audited the fund expenditures of Councillor Russ Wyatt for the year ended December 31, 2014 pursuant to the provisions of the *Councillors' Representation Allowance (CRA) Fund Policy* ("the Policy"). Councillors are responsible for maintaining compliance with the Policy for expenditures incurred. The City Clerk's Department is responsible for processing expenditures in accordance with the provisions of the Policy; they are also responsible for such internal controls as are determined necessary to maintain compliance with the Policy, and to enable disclosure of fund expenditures free of material misstatement on the City's website. The Corporate Finance Department is responsible for disclosing CRA expenditures monthly on the City's website. Our responsibility is to express an opinion on the compliance of fund expenditures, and on the fair presentation of the expenditures, based on our audit. Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund expenditures complied with the Policy, and that the allowance report is free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the allowance report. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of the allowance report, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, fund expenditures incurred by Councillor Russ Wyatt were found to be in compliance, in all significant respects, and the Councillor's allowance report for the year ended December 31, 2014 has fairly presented the fund expenditures, in all material respects, in accordance with the provisions of the Policy.
