REQUEST FOR EMERGENCY MEETING OF COUNCIL

WINNIPEG – December 14, 2017

In light of a CBC media report released today, I am calling on the Mayor to hold an emergency in camera meeting of Council tomorrow, Friday, December 15th to discuss the CAO's performance on the Wilkes Avenue Alignment to William R. Clement Parkway Extension file.

I have grave and serious concerns about his handling of the Wilkes Avenue Alignment to William R. Clement Parkway Extension file.

The CAO has stated that in his role, he does not read all of the documents in a Confidential Briefing note. He has admitted to huge missteps on this file, and has provided inaccurate information to Council to base decisions on. Four senior public works engineers involved on Wilkes Avenue Alignment to William R. Clement Parkway Extension file have left the City.

I and members of Council have questions that must be answered to determine if the CAO should remain in his position.
