

# JANICE LUKES

City Councillor • Conseillère municipale

South Winnipeg-St. Norbert Ward

Quartier de Winnipeg-Sud-Saint-Norbert

During the 2014 election, I heard many issues and gathered much feedback during my door knocking. This feedback was invaluable in helping me understand the ward, and setting the priorities I would focus on for the 2014-2018 term as your Councillor. These are the topics I focused on:

- Accountability
- Age Friendly
- Brady Resource Management Centre
- Bridgwater and South Pointe
- Parks
- Recreation Complex
- Rental Housing
- Taxes
- Transportation (Road and Active Transportation)
- Transit

For every topic, I posted updates on issues on my website and shared with constituents through various forms of communication (social media, print, meetings, etc.). In 2018, to better communicate to residents, I updated my website and re-organized the topics into:

- Neighbourhood specific issues,
- South Winnipeg Community issues impacting our neighbourhood
- City of Winnipeg issues impacting our City, our Community and our Neighbourhoods

Thank you,
