

# Waverly West Ward Priorities 2019-2022

Please find a high level list of key Waverley West ward concerns / issues & priorities that have resulted from four years of community engagement, discussions, and recent election conversations. There may be more, and if so, let's discuss. At this point in time, it is my plan to allocate my time over the next four years on the identified priorities:

## **Budget Related**

- Community Safety
- Improving Transit
- Constructing a Recreation Campus
- Fire Hall
- Waverley Heights Road Repairs
- Parks & Greenspace Maintenance
- Snow Removal on Pathways

## **Not Directly Budget Related - Local**

### **Resolving Growth Related Issues**

- Park / sport field handoffs
- Fountain Operations
- Traffic calming / traffic control devices
- Homeowner Education Programs
  - Yard Maintenance
  - Sump pumps
- Care/Maintenance Program for Bridgwater Forest

### **Issued related to rental properties**

- Yard maintenance
- Parking
- Working with developers to increase housing stock

### **Ward Budget Funding Support**

- Park Improvements (ie: playstructures, cricket pitches, kayak launch, etc)
- Local Support (sponsorship of community events)

## **Not Directly Budget Related - Corporate**

- Develop Council Strategic Plan of Priorities
- Ensure Governance Review & Meaningful Public Consultation Occurs
- Ensure Accountability
- Aligning Economic Development Agendas and Decisions w/ City/Province
- Optimize Operational Improvements
