

IT'S YOUR RESPONSIBILITY to MOW GRASS

Beside YOUR HOME

Please know there is grass higher than 6 inches on the boulevard beside your private property.

- The City of Winnipeg could fine you for not cutting the grass.

A boulevard is the public space between your house and the street. Sometimes there is a sidewalk in the boulevard, sometimes there isn't.

The boulevard is owned by the City of Winnipeg, but if the boulevard is less than 20 feet wide, the City By-Law states you are responsible to mow the grass.

Boulevards UNDER 20 feet wide:

- If your boulevard is less than 20 feet wide, mowing the grass is your responsibility.

Boulevards OVER 20 feet wide:

- The City of Winnipeg mows all grass on boulevards wider than 20 feet.
