CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Resident/Business Owner on University Crescent
RE: 2021-2022 University Crescent Pavement Renewals Project – Phase 1

Phase 1 Construction start: July 19, 2021
Expected Phase 1 Completion: October 2021
Construction Limits: University Crescent from Chancellor Matheson Road to Sifton Road

Please be advised that Phase 1 construction of the 2021-2022 University Crescent Pavement Renewals Project will begin on July 19, 2021. The project includes the following two phases of construction:

Phase 1 – Chancellor Matheson Road to Sifton Road

Scheduled for July to October 2021

Phase 2 – Sifton Road to Pembina Highway

Scheduled for May to October 2022

Phase 1 construction will involve the full reconstruction of concrete pavement and curb, with sidewalk and asphalt pathway renewal as required. Traffic implications will be as follows:

- Traffic will be restricted to one lane in each direction, except as required for special events
- Parking will be restricted on University Crescent from Dafoe Road to Sifton Road
- Rolling sidewalk and pathway closures will be required throughout the project - signage advising of alternate routes will be in place
- Access to Dysart Road from Sifton Road and at Dafoe Road will be maintained at all times
- Normal Transit service will be maintained through the project site with temporary bus stop relocations when required
- Rapid Transit Service through the project site will be rerouted at times
- Pedestrian and vehicle access to properties will be maintained as much as possible with short-term, temporary adjustments as required - any disruption to access will be communicated to the affected properties in advance

Phase 1 construction will begin with underground work and temporary asphalt pavement construction followed by the reconstruction of the west lanes from Chancellor Matheson Road to Sifton Road.
