CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Resident/Business Owner on University Crescent
RE: University Crescent Pavement Renewals Project – Phase 2

Phase 2 Construction Resumes: May 15, 2023
Expected Phase 2 Completion: July 2023
Construction Limits: University Crescent from Thatcher Drive to Pembina Highway

Due to weather conditions, work on University from Thatcher to Pembina was suspended in November 2022. Phase 2 construction is scheduled to resume May 15, 2023.

Work will include:

- Pathway and sidewalk work on the east side of University from #30 University to Pembina
- Concrete pavement work on the east side of University at Pembina
- Pavement repair, curb and sidewalk renewal, and asphalt resurfacing of the southbound lanes of University from Thatcher to Pembina
- Landscaping on the east and west sides of University

Traffic implications will be as follows:

- Traffic will be restricted to one lane in each direction with exceptions for special events
- Pedestrian and vehicle access to properties will be maintained as much as possible with short-term, temporary adjustments as required
 - Any disruption to access will be communicated to the affected properties in advance
- Sidewalk and pathway closures will be required throughout the project
 - Signage advising of alternate routes will be in place
- Transit service will be maintained with temporary bus stop relocations when required
 - Reroutes may be required during special events
- All residents on University are to place their garbage and recycling carts in the normal location by 7:00 a.m. on collection day
- Garbage and recycling pickup for businesses and apartments will be maintained at all times, except if a short-term access disruption is required, in which case we will advise you in advance

We understand this project may cause you some inconvenience and thank you for your patience. Should you have any questions concerning the project, or have accessibility needs, moving requirements, planned special events or known underground appurtenances (such as sprinkler systems, lighting cables, etc.) within 20 feet of the curb, please contact the undersigned at (204) 928-8377 or ryan.cunningham1@aecom.com. Further information and project updates can be found at
