CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

RE: 2023 Local Street Renewals: Waverly Street from Bison Drive to 165 Metres South of Cadboro Road

Please be advised the construction of Waverly Street from Bison Drive to 165 Metres South of Cadboro Road will begin soon.

Construction start: Week of September 18, 2023
Approximate duration: Approximately one week, weather permitting.

Work will include:

- Asphalt removal
- Concrete repairs
- Asphalt placement

Work will be done in two phases:

- Phase 1 (September 18-20): Southbound Waverley Curb Lane
- Phase 2 (September 21-22): Southbound Waverley Median Lane

During construction:

- Phase 1:
 - Southbound Waverley Street will be closed to traffic at Bison Drive
 - Cadboro Road access to Waverley Street will be subject to short-term closures
 - Cadboro Road residents may access their property via detour down Arbour Meadow Gate to Bridgeland Drive South to Frontier Trail
 - The temporary barricades currently at the end of Cadboro Road will be removed to allow access during construction and replaced after construction on the curb lane is complete
- Phase 2:
 - The southbound median lane of Waverley Street will be closed
- Speed limits will be reduced

If you have accessibility concerns, special access requirements or any other questions regarding this construction, please contact Steve Penner at spenner@kgsgroup.com

Sincerely,

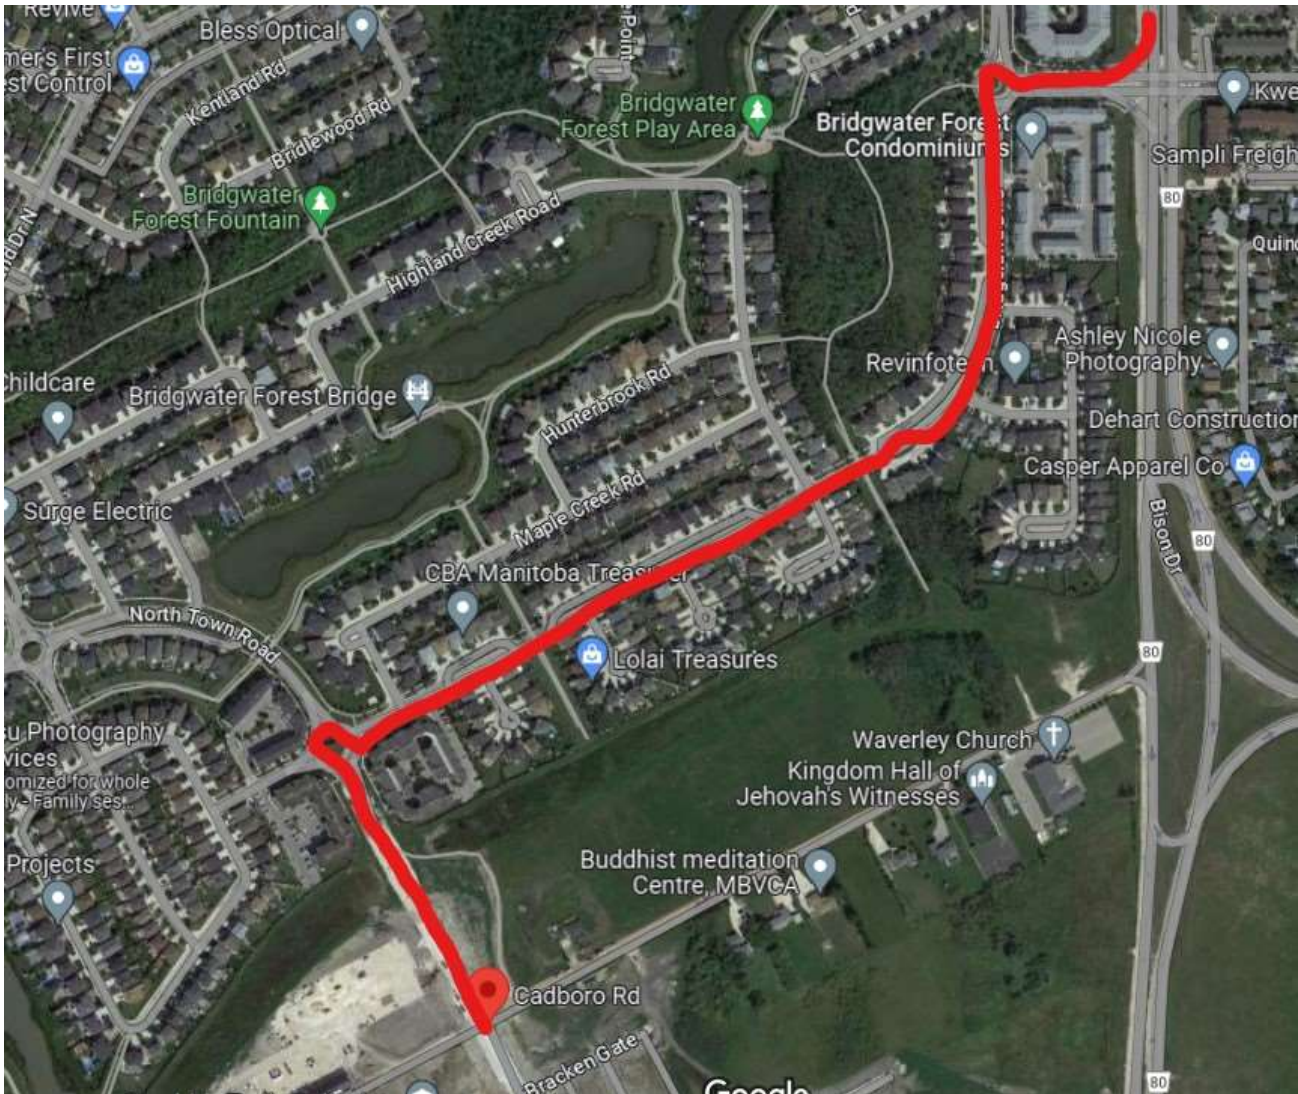

Steve Penner, Eng. L.
